

We Go Together

John Travolta, Olivia Newton-John

(Everyone)

We go together

Like **rama lama lama, ka dinghi di dinghi dong**

Remembered forever

As **shu-bap shu wadda wadda yippidy boom di bum**

Chein chein changhidy cheing she-bap

That's the way it should be

Wah-uuuh, yeah!

We're one of a kind

Like **diup, du-diup du-diup du-wuap du du-bi du**

Our names are signed

Bughidy Bughidy Bughidy Bughidy

Shooby du-wuap shi-bap

Chein chein changhidy cheing she-bap

We'll always be like one, wa-wa-wa-one

When we go out at night

And stars are shinin' bright

Up in the skies abo-o-o-ve

Or at the high school dance

Where you can find romance

Maybe it might be love

Rama lama lama, ka dinghi di dinghi dong (Gabriele Rigon)
